Curriculum Vitae

PROFESSIONAL EXPERIENCE

Research Assistant , Tsotsos Lab, York University. Toronto, ON	2023 – 2028
Senior Data Scientist , Mastercard. Vancouver, BC	2022 – 2023
Data Scientist , Fortinet. Burnaby, BC	2017 – 2022
Software Developer (Co-op), IBM. Fredericton, NB	2015

EDUCATION

PhD , Electrical Engineering & Computer Science York University Supervisor: Prof. John K. Tsotsos	2023 – 2028 Toronto, ON
MSc , Computer Science (thesis option) University of New Brunswick Supervisor: Prof. Huajie Zhang. Thesis: “Machine Learning for Wind Power Prediction”	2013 – 2016 Fredericton, NB
BSc , Mathematics Shandong University Visiting Student at Loughborough University, England, 2012 – 2013	2009 – 2013 Jinan, China

PUBLICATIONS

- Liu, Y.**, Kotseruba, I., Tsotsos, J. K. (2026). Disentangling Pictorial Cue Understanding from Language Bias in VLMs via Depth Ordering Task. arXiv preprint arXiv:2607.01503. (Accepted to ECCV 2026) [[PDF](#)] [[Project Page](#)]
- Tabrizi, M.K., Chi, M., Dey, B.B., Yuan, K., Solbach, M.D., **Liu, Y.**, Jenkin, M., Tsotsos, J.K. (2026). DIJIT: A Robotic Head for an Active Observer. IEEE Robotics and Automation Letters (RA-L).
- Chan, S. S., **Liu, Y.**, Shenkov, N., Cheung, C. K. L. (2024). Data label creation from reduced data labels for model training. U.S. Patent Application No. 18/637,643.
- Liu, Y.**, Zhang, H. (2016). An Empirical Study on Machine Learning Models for Wind Power Predictions. In 15th IEEE International Conference on Machine Learning and Applications (ICMLA) (pp. 758-763).

PRESENTATIONS

- Poster: **Liu, Y.**, Kotseruba, I., Tsotsos, J. K. Disentangling Pictorial Cue Understanding from Language Bias in VLMs via Depth Ordering Task. In ECCV 2026, Malmo, Sweden, 2026
- Poster: **Liu, Y.**, Zhang, H. An Empirical Study on Machine Learning Models for Wind Power Predictions. In 15th IEEE International Conference on Machine Learning and Applications (ICMLA), Anaheim, CA, USA, 2016.

TEACHING ASSISTANCE

EECS 1560 Intro to Computing for Math and Stats , York University.	W2026
EECS 1560 Intro to Computing for Math and Stats , York University.	F2025
EECS 3461 User Interfaces , York University.	W2025
EECS 3461 User Interfaces , York University.	F2024
EECS 1560 Intro to Computing for Math and Stats , York University.	F2024
EECS 1720 Building Interactive Systems , York University.	W2024
EECS 1015 Introduction to Computer Science and Programming , York University.	F2023

AWARDS

Academic Excellence Fund , Faculty of Graduate Studies, York University.	2026
VISTA/CVR PhD Research Stipend , VISTA, York University.	2026

(Updated on August 2026)
